Making the Most of Nursery

Regular attendance helps children build confidence, develop friendships and make the most of the rich learning opportunities available throughout the Nursery. As children grow and prepare for Reception, many families choose to increase attendance to provide greater consistency and continuity

Butterflies (Pre-School)
As children prepare for Reception, many families increase attendance to four or five school days each week, helping them develop confidence, independence and the routines that support a smooth transition into school.

Early Years
Funding for Nursery & Reception

Lingfield College Nursery offers up to 15 hours of Government-funded childcare per week for eligible children through our dedicated Afternoon Funding Session.

Afternoon Funding Session
12.30pm - 3.30pm

15 HOURS GOVERNMENT-FUNDED CHILDCARE

Early Years Funding (EYF) is available for children from the term after they turn 2 years old and for Reception children up to and including the term in which they turn 5 years old, subject to Government eligibility criteria and completion of the required funding declaration.

Parents can use up to 15 hours of Early Years Funding per week during our Afternoon Nursery Sessions (12.30 pm - 3.30 pm) offered during Surrey County Council Term Dates. If the full funded entitlement is not used at Lingfield College, any remaining funded hours may be claimed at another eligible childcare provider, subject to the relevant funding regulations.

Tax-Free Childcare

Lingfield College accepts payments through the Government's Tax-Free Childcare Scheme, designed to help with the cost of childcare.
