

Dear Parents

A Top-Guard dental professional will visit the school to take impressions for custom-fit mouth guards using the latest mouth scanning technology. They will be attending the Prep School during the morning of Tuesday 13th June and will be returning on Thursday 31st August to the Senior School during pre-season training. Mouth guards are essential for all pupils participating in Hockey and Rugby next term.

It would be advisable for all students requiring mouth guards during the first week in September (all girls will require these for Hockey which they do in the Autumn Term) to have their impressions taken in June. For new joiners to the school, the August fitting will be fine. However, please be aware they will take a couple weeks to arrive and therefore you will need to purchase a temporary one ready for the start of term. The boys can have impressions taken on either date as they do not require mouth guards until October at the earliest.

If you wish to order a Top-Guard mouth guard, please use the link below to complete an order from.

<https://topguards.co.uk/mouth-guard-order/>

Once the order forms have been collated, we will receive a list of all orders prior to the visit and will ensure your child is in attendance for the impression.

For queries regarding the mouth guards, please contact Paul Wigley at paul_wigley32@yahoo.co.uk or Mr Mackey at mackeyb@lingfieldcollege.co.uk. Please also see further details from Top Guards below.

Students who have their impressions taken in June will receive their mouthguard in time for pre-season training. Those having impressions in August will receive theirs 2-3 weeks later.

Kind regards

Mr B Mackey
Head of Hockey

TOP GUARDS

MOUTHGUARDS
THAT REALLY
FIT.

WANT A BESPOKE GUARD?

Does not impact normal
speech and breathing

High-quality material for
ultimate protection and
