Notice

Six weeks' notice is required if a Nursery pupil is withdrawn from the School, otherwise fees become payable in lieu of that notice.

Support

The school monitors the progress of children carefully. Parents may be contacted to agree on targets if your child is referred for extra SEND support (Special Educational Needs).

Insurance

The school carries a comprehensive portfolio of general insurances. However, through the 'School Fees Protection Scheme', parents can insure for the recovery of fees during a pupil's absence due to sickness. There is also insurance to provide for the continuing payment of fees due to the death of the principal breadwinner in the family. Details of these supplementary insurances can be obtained from the Head of Finance & Resources. Parents should note that the school does not carry insurance for pupils' possessions, including clothing, whilst they are at school.

Late Collection Charge

If you do not collect your child from the Nursery by the end of the day, and no contact has been made to inform us of alternative arrangements for collection, we will make every attempt to get in touch with you. If we are unsuccessful, we will contact your nominated emergency contact and request that they collect your child. The Nursery will remain open to allow time for that person to arrive. The late collection charges £20 to cover any associated staff costs. We ask that all parents keep us fully informed if they are held up when travelling to collect their child.

Miscellaneous

The school reserves the right to alter or amend any sums quoted above to cover any unforeseen costs that may arise. The school's Trustees determine routine tuition fee increases and usually apply them from January each year.

There are several financial schemes in the marketplace to assist parents in saving towards school fees. The school does not recommend any particular products in this area and would suggest that parents discuss the options with their financial advisors, insurance brokers or similar specialists.

Whilst attending Lingfield College, the Headmaster expects pupils and parents to be fully committed and supportive of the school, both in and out of school hours. A complete set of our terms and conditions are available on our website. Fees are current at the time of printing.
