Sibling Discount

For families with three or more siblings attending the school, a 10% termly discount will be applied to the basic tuition fees for the third child and any subsequent children.

Discounts for Fees Paid in Advance

A discount is available if you choose to pay for a year or more years fees in advance. The discount is dependent upon the length of advance payment. For those who wish to make fee payments in advance, please contact finance@lingfieldcollege.co.uk for further information.

Deferred Entry

An additional holding deposit of £2,000 is necessary to secure a deferred entry, reimbursed on the first term's invoice.

Examinations

Public examination fees are recharged to parents.

Stationery

In Senior School, certain personal books that pupils retain for ongoing studies are charged to parents. Pupils purchase their Mathematics textbooks so that they can retain the entire collection for reference as they progress through the school and some specialist textbooks for public examination courses.

Music Lessons

Music lessons for the Prep and Senior Schools must be arranged directly with the Music Administrator. Lessons will be with visiting peripatetic teachers who will invoice parents directly. At Prep School, some instruments are available to hire.

Instrumental lessons: £230 per term (ten lessons).

Instrument hire: £50 per term.

Learning Support Lessons

The school monitors children's progress carefully. Should your child be referred for additional SEND (Special Educational Needs and Disability) support, parents may be contacted so that targets can be discussed and agreed upon. Some specialist support is available during the day at an extra cost. Further details are available from the SENDCo department.

Wrap-Around Care

At Lingfield Prep, we offer full wrap-around care options and holiday clubs. For further details, visit the Wrap-around Care pages on our website.

Plays, Concerts, Expeditions and Trips

While the school may occasionally subsidise the cost of trips related to the curriculum, parents are typically required to cover the expenses for such trips. Optional visits will incur full charges.

Insurance Options

While the School maintains a comprehensive portfolio of general insurance, parents can opt for additional coverage through the School Fees Protection Scheme. This scheme insures for the recovery of fees during a pupil's absence due to sickness and provides an option for continued fee payment following the unexpected death of the principal financial contributor in the family. For details of both of these supplementary insurances please contact the Head of Finance and Resources.

Pupils' Personal Possessions

The school does not accept responsibility for claims arising from the loss or damage to pupils' property. Therefore, it is recommended that appropriate cover be arranged through an extension of the parent's household insurance policy.

Miscellaneous

The school reserves the right to adjust or modify any sums quoted above to accommodate unforeseen costs that may arise.

Whilst attending Lingfield College, the Headmaster expects pupils and parents to demonstrate full commitment and support for the school during and outside school hours. A complete set of our terms and conditions is available on our website and enclosed with parent contracts. Fees are correct at the time of print.
